

Matt McMahon Murray State Head Coach

We are looking forward to another great summer of basketball camp on the beautiful campus of Murray State University! The goal of our camp is to instruct young players in the fundamentals of the game while providing a fun environment for them at the CFSB Center.

We will have an experienced staff of instructors, including many former and current Murray State players. Through daily drills, competitions, and games, campers can count on an exciting and rewarding week with the Racers.

Each camper will receive outstanding one-on-one instruction that will help them become a better basketball player.

I hope you will join us for a fun week this summer!
